Dear Dr. Campbell:

Many thanks for your letter. I myself am strongly of opinion that the best way to keep the present Assembly from discussing at all the question of Church Union is to allow the overtures to be presented and have them handed over to a committee to be dealt with at the next meeting of the Assembly. Otherwise, I am afraid there would be a good deal of discussion, because I know a great many people are restless. I am therefore very glad that you have decided to take the action you mention to me in your letter.

With kind regards, I am,

Yours sincerely,
